

# However you help - it really can make a difference

All too often we only hear of the tragic side of cancer. Yet, here at the Sussex Cancer Centre, most people can be helped and many cured with our sophisticated equipment and dedicated team of consultants, nurses and radiographers.

If you'd like to help us with much needed funds you can send a one-off donation using the form below. Or you can visit our website and donate on-line at [www.sussexcancerfund.co.uk](http://www.sussexcancerfund.co.uk). If you would like to help with a regular contribution, simply fill in the standing order form overleaf and send to the address overleaf.

With your help we really can make a difference for local people in Sussex.

We aim to make it better for  
cancer patients in Sussex.

We can't do it without you.

The Sussex Cancer Fund for Treatment and Research is an independent charity working to improve cancer treatment for thousands of Sussex people each year.

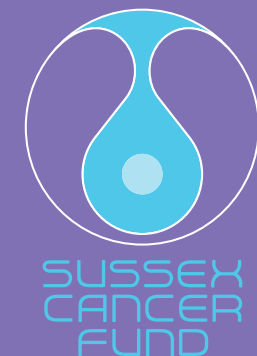

Patients' needs could never be completely met without the help of the Fund, but as our success increases so do the numbers who look to us for help.
